Independent Contractor Agreement

This Agreement is made on **[Insert Start Date]** (the **“Effective Date”**).

1. Parties

This Agreement is entered into between:

(1) Andy'K Group International LTD, a company incorporated in England and Wales under company number **16453500**, whose registered office is at 86-90 Paul Street, London, EC2A 4NE, United Kingdom (the **“Company”**); and

(2) [Insert Contractor Full Legal Name], of **[Insert Contractor Address]** (the **“Contractor”**),

together the **“Parties”**, and each a **“Party”**.

2. Background

1. The Company wishes to engage the Contractor to provide personal assistant and sales support services on the terms set out in this Agreement.
2. The Contractor is engaged as an independent contractor and not as an employee, worker, partner, or agent of the Company.
3. This Agreement, together with its Schedules, sets out the entire agreement between the Parties in relation to the Services.

3. Definitions and Interpretation

In this Agreement, unless the context otherwise requires, the following definitions apply:

1. **“Andy'K Group Ecosystem”** means Andy'K Group International LTD and all current and future brands, divisions, products, platforms, subsidiaries, affiliated business units, projects, intellectual property, digital services, and commercial activities operated, managed, owned, or controlled by Andy'K Group International LTD or its Director, including but not limited to: Andy'K Group International LTD; A.D.A.M.; E.V.E.; Andy'K Music Lab; Andy'K Records; DJ Andy'K; and any future brands, products, platforms, business units, or commercial activities created, owned, managed, or operated by the Company or its Director.
2. **“Business Day”** means a day other than a Saturday, Sunday, or public holiday in England.
3. **“Confidential Information”** has the meaning given in Clause 9.
4. **“Fee”** means the hourly rate or monthly fee payable to the Contractor as set out in Schedule 1.

5. **“Services”** means the personal assistant and sales support services described in Clause 5 and Schedule 2.
6. **“Work Product”** means all materials, deliverables, documents, data, designs, code, content, and other output created or developed by the Contractor in connection with the Services.

Clause headings do not affect interpretation. References to clauses and schedules are to clauses and schedules of this Agreement unless stated otherwise. Unless the context requires otherwise, references in this Agreement to confidentiality, data protection, intellectual property, use of artificial intelligence tools, non-solicitation, scope of Services, and Company systems and security extend to and protect the Andy'K Group Ecosystem as a whole, and not solely Andy'K Group International LTD in isolation.

4. Independent Contractor Status

1. The Contractor is engaged as an independent contractor providing services to the Company. Nothing in this Agreement creates a relationship of employment, agency, partnership, or joint venture between the Parties.
2. The Contractor is not entitled to any employee benefits, including but not limited to holiday pay, sick pay, pension contributions, or statutory redundancy, and shall not hold themselves out as an employee, partner, or agent of the Company.
3. The Contractor is solely responsible for the payment of all income tax, National Insurance contributions, and any other statutory or fiscal obligations arising from sums paid under this Agreement, and shall indemnify the Company against any liability, penalty, interest, or costs arising from the Contractor's failure to discharge such obligations.
4. The Contractor retains the right to determine the manner and method by which the Services are performed, subject to the reasonable operational requirements of the Company and the terms of this Agreement.
5. Subject to Clause 13 (Non-Solicitation) and Clause 9 (Confidentiality), the Contractor is not prevented from providing services to other clients during the term of this Agreement, provided that such engagements do not create a conflict of interest or interfere with the performance of the Services.

5. Services

1. The Contractor shall provide personal assistant and sales support services to the Company, as further described in Schedule 2 (Scope of Services), including lead research, CRM management, sales support, administrative tasks, calendar and travel coordination, email support, market research, and related documentation.
2. The Services may be provided across the full Andy'K Group Ecosystem, and the Contractor is not limited to supporting a single project, brand, or business activity within the Ecosystem. The Company may direct the Contractor to perform Services in

connection with any current or future brand, product, platform, or business unit forming part of the Andy'K Group Ecosystem.

3. Where the Services are performed in connection with a new brand, project, or platform that is added to the Andy'K Group Ecosystem after the Effective Date, no new or separate agreement shall be required, provided that the work falls within the general nature of administrative, personal assistant, sales support, research, or operational support services described in this Agreement and Schedule 2.
4. The Company may, by written agreement with the Contractor, vary or add to the scope of Services from time to time. Material changes to scope or workload should be reflected in an updated Schedule 2 or written confirmation.
5. The Contractor shall perform the Services with reasonable skill, care, diligence, and professionalism, and in accordance with the reasonable instructions of the Company.

6. Working Arrangement

1. The engagement is part-time, with an estimated workload of **10 to 20 hours per month**, to be performed remotely or on a hybrid basis as agreed between the Parties.
2. The Contractor has discretion over the scheduling of working hours, provided that the Services are delivered within agreed deadlines and that the Contractor remains reasonably available for scheduled calls, meetings, and time-sensitive tasks.
3. Nothing in this Clause obliges the Company to provide a minimum number of hours of work, nor obliges the Contractor to accept a minimum number of hours, beyond what is agreed between the Parties from time to time.

7. Fees, Timesheets and Invoicing

7.1 Fees

1. The Company shall pay the Contractor the Fee set out in Schedule 1, being either an hourly rate or a monthly fee as agreed in writing between the Parties prior to the commencement of the Services.
2. The Fee constitutes full and complete remuneration for the Services and, save as expressly agreed under Clause 8 (Expenses), no further sums shall be payable by the Company.

7.2 Timesheets

1. The Contractor shall maintain and submit a monthly timesheet to the Company, recording hours worked and a summary of tasks performed during the relevant calendar month.

7.3 Invoicing

1. Work completed during a calendar month shall be invoiced by the Contractor between the **15th and 20th day** of the following calendar month.

2. Each invoice shall reference the relevant calendar month, hours worked or fee due, and shall be accompanied by the corresponding timesheet.
3. Payment of undisputed invoices shall be made by the Company within **15 calendar days** from the date of the invoice, by bank transfer to the account nominated by the Contractor in Schedule 1.
4. Where the Company disputes any part of an invoice in good faith, it shall notify the Contractor in writing within 5 Business Days of receipt, specifying the basis of the dispute, and shall pay the undisputed portion in accordance with this Clause.

8. Expenses

1. The Contractor shall not incur any expense on behalf of the Company without the Company's prior written approval.
2. Pre-approved, reasonable, and properly evidenced expenses incurred wholly and necessarily in the performance of the Services shall be reimbursed by the Company within 15 calendar days of receipt of a valid expense claim and supporting receipts.

9. Confidentiality

In consideration of the Company disclosing information to the Contractor for the purposes of this Agreement, the Contractor agrees as follows:

1. **Definition.** "Confidential Information" means all information, in whatever form, disclosed by or on behalf of the Company or any other member of the Andy'K Group Ecosystem to the Contractor, or otherwise obtained by the Contractor in connection with the Services, including but not limited to: client and prospect data, business strategy, pricing, financial information, A.D.A.M. and E.V.E. system architecture and source code, Andy'K Music Lab and Andy'K Records business and creative materials, DJ Andy'K artist and release information, marketing and sales materials, internal processes, employee and contractor information, and any information marked or reasonably understood to be confidential, in each case whether relating to Andy'K Group International LTD or any other part of the Andy'K Group Ecosystem.
2. **Obligations.** The Contractor shall: (a) keep all Confidential Information strictly confidential; (b) not disclose Confidential Information to any third party without the Company's prior written consent; (c) use Confidential Information solely for the purpose of performing the Services; and (d) apply at least the same degree of care to protect Confidential Information as the Contractor applies to its own confidential information, and in any event no less than a reasonable standard of care.
3. **Exclusions.** The obligations in this Clause do not apply to information that: (a) is or becomes publicly available other than through breach of this Agreement; (b) was lawfully in the Contractor's possession prior to disclosure; (c) is independently developed without use of or reference to the Confidential Information; or (d) is required to be disclosed by law, regulation, or a competent court or authority, provided that the Contractor gives the Company prompt written notice where legally permitted.

4. **Survival.** The obligations of confidentiality under this Clause shall survive termination or expiry of this Agreement indefinitely in respect of trade secrets, and for a period of five (5) years from termination in respect of all other Confidential Information.
5. **Return of materials.** Upon termination of this Agreement, or at any time upon the Company's written request, the Contractor shall promptly return or permanently delete all Confidential Information and Company materials in its possession or control, and confirm such deletion in writing if requested.

10. Data Protection and GDPR

1. Each Party shall comply with its respective obligations under the UK General Data Protection Regulation, the Data Protection Act 2018, and any successor or related data protection legislation applicable in the United Kingdom (together, **"Data Protection Law"**).
2. Where the Contractor processes personal data on behalf of the Company or any other member of the Andy'K Group Ecosystem in the course of providing the Services, the Contractor shall: (a) process such personal data only on the documented instructions of the Company; (b) implement appropriate technical and organisational measures to protect personal data against unauthorised or unlawful processing, loss, destruction, or damage; (c) not transfer personal data outside the United Kingdom or the European Economic Area without the Company's prior written consent and appropriate safeguards; and (d) assist the Company in responding to data subject requests and in meeting its obligations regarding data security and breach notification.
3. The Contractor shall notify the Company without undue delay, and in any event within 24 hours of becoming aware, of any actual or suspected personal data breach involving data belonging to the Company or any other member of the Andy'K Group Ecosystem.
4. The Contractor shall not retain personal data for longer than is necessary to perform the Services, and shall securely delete or return such data on completion of the relevant task or on termination of this Agreement, save where retention is required by law.
5. The Contractor shall ensure that any sub-processor, tool, or third-party platform used to process personal data in connection with the Services has been approved in advance by the Company in writing.

11. Intellectual Property

1. All Work Product created, developed, or contributed to by the Contractor in the course of performing the Services, whether alone or jointly with others, and whether created in connection with Andy'K Group International LTD or any other member of the Andy'K Group Ecosystem, shall belong absolutely and exclusively to the Company.
2. To the extent that any intellectual property rights in the Work Product do not vest automatically in the Company, the Contractor hereby assigns, and agrees to assign, all

such rights (including copyright, database rights, design rights, and any rights of a similar nature anywhere in the world, whether existing now or in the future) to the Company with full title guarantee.

3. The Contractor waives, to the fullest extent permitted by law, all moral rights in the Work Product to which the Contractor may be entitled under the Copyright, Designs and Patents Act 1988 or any equivalent law in any jurisdiction.
4. The Contractor shall, at the Company's request and expense, promptly execute all documents and do all acts reasonably necessary to vest the intellectual property rights in the Work Product in the Company or to otherwise give effect to this Clause.
5. Nothing in this Clause transfers ownership of any pre-existing intellectual property of the Contractor that is incorporated into the Work Product, provided the Contractor has disclosed such pre-existing material to the Company in writing and grants the Company a perpetual, royalty-free licence to use it as part of the Work Product.

12. Use of Artificial Intelligence Tools

1. The Contractor may use artificial intelligence tools (including generative AI and large language models) solely for the performance of authorised tasks under this Agreement, and in accordance with any AI usage guidance issued by the Company from time to time.
2. The Contractor shall not input, upload, or otherwise share any Confidential Information, client data, or personal data belonging to the Company or any other member of the Andy'K Group Ecosystem with any AI tool, platform, or service without the Company's prior written approval.
3. The Contractor remains fully responsible for reviewing, verifying, and taking ownership of any output produced with the assistance of AI tools before it is used, submitted, or relied upon in connection with the Services.
4. The Contractor shall not represent AI-generated output as the Contractor's own original work where such representation would be misleading to the Company, any other member of the Andy'K Group Ecosystem, or their respective clients.
5. The Company reserves the right to require the Contractor to identify which AI tools have been used in connection with the Services and to restrict or withdraw approval for specific tools at its discretion.

13. Non-Solicitation

During the term of this Agreement and for a period of twelve (12) months following its termination or expiry, the Contractor shall not, directly or indirectly, whether on the Contractor's own behalf or on behalf of any other person:

1. solicit, approach, or accept business from any client, prospective client, or customer of the Company or any other member of the Andy'K Group Ecosystem with whom the Contractor had material dealings, or about whom the Contractor obtained Confidential

Information, in the 12 months preceding termination, for purposes competitive with the Services provided under this Agreement;

2. solicit or induce, or attempt to solicit or induce, any employee, contractor, or consultant of the Company or any other member of the Andy'K Group Ecosystem to leave their engagement;
3. induce or attempt to induce any supplier, partner, or contractor of the Company or any other member of the Andy'K Group Ecosystem to cease or vary its relationship with the Company or that member of the Ecosystem; or
4. knowingly divert, appropriate, or otherwise take personal advantage of any specific business opportunity that the Contractor became aware of through the Services and that was being actively pursued by the Company or another member of the Andy'K Group Ecosystem at the time.

The Parties agree that the restrictions in this Clause are reasonable and proportionate, are limited to the protection of the legitimate business interests of the Andy'K Group Ecosystem, and do not prevent the Contractor from being engaged or employed in their chosen profession generally following termination of this Agreement.

14. Equipment, Systems and Security

1. The Contractor shall use its own equipment, software, and internet connection to perform the Services, unless otherwise agreed in writing.
2. Where the Contractor is granted access to systems, platforms, accounts, or tools belonging to the Company or any other member of the Andy'K Group Ecosystem (including A.D.A.M., E.V.E., CRM, email, Andy'K Music Lab or Andy'K Records platforms, or cloud storage), the Contractor shall use such access solely for the performance of the Services, maintain the security of login credentials, and immediately notify the Company of any suspected unauthorised access or security incident.
3. All access granted under this Clause shall be revoked by the Company promptly upon termination of this Agreement.

15. Term and Termination

15.1 Term

1. This Agreement shall commence on the Effective Date and shall continue until terminated in accordance with this Clause 15.

15.2 Termination for Convenience

1. Either Party may terminate this Agreement at any time by giving not less than **14 calendar days'** written notice to the other Party.

15.3 Termination for Cause

1. The Company may terminate this Agreement with immediate effect, by written notice, if the Contractor: (a) commits a material or persistent breach of this Agreement which, if capable of remedy, is not remedied within 5 Business Days of written notice; (b) commits any serious breach of confidentiality, data protection, or intellectual property obligations under this Agreement; (c) engages in conduct that is dishonest, fraudulent, or brings the Company into disrepute; or (d) becomes subject to bankruptcy, insolvency, or equivalent proceedings.

15.4 Effect of Termination

1. On termination of this Agreement for any reason, the Contractor shall: (a) immediately cease performing the Services; (b) deliver to the Company all Work Product, Confidential Information, and Company property in its possession; (c) submit a final invoice in accordance with Clause 7 for Services properly performed up to the date of termination; and (d) revoke its own access to any third-party tools used on behalf of the Company where applicable.
2. Termination of this Agreement shall not affect any rights or obligations of the Parties accrued prior to the date of termination, and Clauses 9 (Confidentiality), 10 (Data Protection), 11 (Intellectual Property), 13 (Non-Solicitation), 16 (Liability and Indemnity), 21 (General Provisions), and 22 (Governing Law) shall survive termination.

16. Liability and Indemnity

1. Nothing in this Agreement limits or excludes either Party's liability for death or personal injury caused by negligence, fraud or fraudulent misrepresentation, or any other liability that cannot lawfully be limited or excluded.
2. Subject to the above, the Company's total aggregate liability arising out of or in connection with this Agreement, whether in contract, tort, or otherwise, shall not exceed the total Fees paid to the Contractor in the three (3) months preceding the event giving rise to the claim.
3. The Contractor shall indemnify the Company against any losses, damages, costs, or liabilities arising from the Contractor's breach of this Agreement, negligence, or wilful misconduct in the performance of the Services, including any breach of Clause 9 (Confidentiality), Clause 10 (Data Protection), or Clause 11 (Intellectual Property).

17. Insurance

1. The Contractor shall maintain such insurance as may be reasonably required by the Company in writing, having regard to the nature, scope, and risk profile of the Services. Unless expressly requested by the Company, no specific insurance policy is required for basic administrative, research, or sales support services.

18. Tax and Statutory Status

1. The Contractor confirms that it is responsible for determining and complying with its own employment status for tax purposes, including any applicable assessment under the off-payroll working rules (IR35), where relevant.
2. The Contractor shall indemnify the Company against any income tax, National Insurance contributions, penalties, interest, or related costs that the Company may become liable to pay in respect of the Contractor's engagement, save where such liability arises from the Company's own determination of status under applicable legislation.

19. Conflicts of Interest

1. The Contractor shall promptly disclose to the Company in writing any actual or potential conflict of interest arising from any other engagement, business interest, or relationship that may affect the Contractor's ability to perform the Services impartially and in the Company's best interests.

20. Notices

1. Any notice given under this Agreement shall be in writing and delivered by email to the addresses set out in Schedule 1, with confirmation of receipt, or by hand or pre-paid post to the registered office of the Company or the Contractor's address set out in Schedule 1.
2. Notices shall be deemed received: if delivered by hand, at the time of delivery; if sent by email, at the time of transmission provided no delivery failure notice is received; and if sent by post, 2 Business Days after posting.

21. General Provisions

1. **Entire Agreement.** This Agreement, together with its Schedules, constitutes the entire agreement between the Parties and supersedes all prior discussions, representations, and agreements relating to its subject matter.
2. **Variation.** No variation of this Agreement shall be effective unless made in writing and signed by both Parties.
3. **Assignment.** The Contractor shall not assign, subcontract, or transfer any of its rights or obligations under this Agreement without the prior written consent of the Company. The Company may assign this Agreement to any other member of the Andy'K Group Ecosystem or successor in connection with a reorganisation, merger, or sale of business.
4. **Severability.** If any provision of this Agreement is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

- 6. No Partnership.** Nothing in this Agreement shall be construed as creating a partnership, joint venture, or agency relationship between the Parties.
- 7. Counterparts.** This Agreement may be executed in counterparts, including by electronic signature, each of which shall constitute an original, and all of which together shall constitute one agreement.

22. Governing Law and Jurisdiction

- 1.** This Agreement and any dispute or claim arising out of or in connection with it, including non-contractual disputes or claims, shall be governed by and construed in accordance with the laws of England and Wales.
